Frommer's Review

Karen Jettmar, author of *The Alaska River Guide*, the standard guidebook on floating Alaska's rivers, leads challenging rafting, sea kayaking, and hiking trips and base-camp wildlife viewing each summer in some of the wildest and most exotic places around the state. Her groups are tiny, with five to eight members, and she offers co-ed, family, and women's trips. A 10-day Arctic float trip costs around \$3,600.

Note: *This information was accurate when it was published, but can change without notice. Please be sure to confirm all rates and details directly with the companies in question before planning your trip.*
